

6. One Day Hong Kong Eco-Tour of New Territories West

新 生 精 神 康 復 會
New Life Psychiatric Rehabilitation Association

Hong Kong Eco-Tourism of New Territories West

Date: December 15, 2006

Time: 9:00 - 17:00

New Life Psychiatric Rehabilitation Association operates Eco-tourism as a social enterprise to provide work and employment opportunities to people with psychiatric disability in Hong Kong. Your participation in this Eco-tour will support people with psychiatric disability and have multiple values to have a good memory of both Hong Kong's important scenery and eco-spots and the rehabilitation services for people with psychiatric disability.

Program

- Tour at Lantau Link View Point - overview of both Tsing Ma Bridge and Kap Shui Mun Bridge
- Eco-tour at New Life Farm & Interactive Farm: organic farmlands, educational path, butterfly garden etc.
- Farm activities served by people with psychiatric disability
- Lunch with organic vegetables

Cost: HKD230 /USD30 per person

(Limited to 48 persons)

Included: One English speaking tour guide + transport + lunch with organic vegetables

Program details

- Tour at Lantau Link View Point, to view both Tsing Ma Bridge with the world's longest bridge span carrying both road and rail traffic and Kap Shui Mun Bridge with the world's longest cable-stayed structure. Also New [Life@Lantau](#) Link, a beautiful cultural kiosk selling exquisite handicrafts made by people with psychiatric disability.

**5th International Conference on Social Work in Health and Mental Health
(December 10-14, 2006, Hong Kong, China)
Post Conference Tour**

6. One Day Hong Kong Eco-Tour of New Territories West

- Eco-tour in one of Hong Kong's biggest organic farms - New Life Farm. It consists of two farmlands with 550,000 square feet. Visit various scenery spots such as organic farmland, horticultural educational path, copper stones track, butterfly garden, herbal garden, cactus garden and exhibition gallery etc.
- Enjoy lunch with a mix of eastern and western style of healthy food, especially fresh organic vegetables from the Farm.
- Whole day farm activities will give you an idea of rehabilitation services for people with psychiatric disability in Hong Kong, have free interaction with them and understand their abilities when they are serving you at different spots and activities.
